Creating Building Blocks for a New Generation

An evening to benefit Peacock Family Services

Saturday, November 7, 2015

6 pm – 9 pm

At the Bainbridge Island Museum of Art Bistro and Auditorium

Join us at the Peacocktail Party for sumptuous seasonal fare, delicious drinks, and great conversation. The evening will also include a thought-provoking presentation by Marilyn Price-Mitchell, PhD, a developmental psychologist and author of *Tomorrow's Change Makers: Reclaiming the Power of Citizenship for a New Generation*.

Marilyn is a fellow at the Institute for Social Innovation at Fielding Graduate University where she studies how children grow to become caring family members, innovative workers, ethical leaders, and engaged citizens in an increasingly complex society.

Together, we will explore how families, schools, and communities partner to help our children reach their full potential.

Tickets available at PeacockFamilyCenter.org. For questions regarding sponsorship opportunities, contact Kathy Haskin, Peacock Family Services Executive Director at Kathy@PeacockFamilyCenter.org.

What this event sponsorship can do for you

- Associates you with an organization that values families, inclusiveness, health, and community
- Increases your visibility through our website, signage, social network, and parent communications
- Provides client entertainment with tickets to our delightful and insightful evening event

Support our Communities, \$5,000

Peacock's Family Resources Directory and referral program supports parents and caregivers seeking a variety of educational, medical, support, and therapeutic family services, from pregnancy through early childhood. **Expanding this searchable online directory, and continuing to maintain it as a "no cost" opportunity for both the families, and participating service businesses and support groups will be a priority for Peacock in the coming year.**

Support Early Childhood Education, \$2,500

Peacock believes that professional development for our teachers is one of the most tangible ways to demonstrate our commitment to providing quality care and education for young children. In addition, Peacock plans to explore best practices beyond our center by convening organizations and caregivers in our community. **We would like to take the lead in elevating the level of care available to families on Bainbridge Island, North Kitsap, and beyond.**

Support our Families, \$500 - \$1,000

In an effort to strengthen the bonds between parents, their children, and our community of families, Peacock brings people together for classes, featured speakers, and family-focused events. **Developing family programs, like our upcoming Parenting in Nature workshops, Language Classes, and Peacock Tales speaker series, will be a great addition to our family support options.**

Support our Children, \$250

Peacock's commitment to socio-economic diversity remains steady as we continue to work with the Washington State DSHS subsidy program for low-income families, as well as offer Peacock scholarships to support families who cannot afford full tuition. **We will continue to seek out sources to help us bridge the gap between tuition assistance programs and Peacock's cost of care.**
