**Help us achieve our vision** that the children of North Kitsap County will reach their full potential, nurtured by families and caregivers who feel *supported, informed, and connected*.

We are dedicated to promoting the healthy social and emotional development of children by providing nurturing and enriching care and family support. We do so through our organizational strands – our Childhood Development Center (childcare and preschool, ages 1 – 5 years old), our Nature Nuts outdoor educational opportunities (after school and day camps, K – 2 grades), and our Partners for Early Learning educational series and Family Support Community Directory. Peacock values Health, Inclusiveness, and Community.

Tickets are on sale now at [PeacockFamilyCenter.org](http://PeacockFamilyCenter.org).

### Support our Communities, \$5,000

Peacock's Family Resources Directory and referral program supports parents and caregivers seeking a variety of educational, medical, support, and therapeutic family services, from pregnancy through early childhood. **Expanding this searchable online directory, and continuing to maintain it as a "no cost" opportunity for both the families, and participating service providers and support groups will be a priority for Peacock in the coming year.**

### Support Early Childhood Education, \$2,500

Peacock believes that professional development for our teachers is one of the most tangible ways to demonstrate our commitment to providing quality care and education for young children. In addition, Peacock plans to explore best practices beyond our center by convening organizations and caregivers in our community. **We will take the lead in elevating the level of care available to families on Bainbridge Island, North Kitsap, and beyond.**

### Support our Families, \$500 - \$1,000

In an effort to strengthen the bonds between parents, their children, and our community of families, Peacock brings people together for classes, featured speakers, and family-focused events. **Developing family programs, like our Partners for Early Learning workshop series continually add to our family support options.**

### Support our Children, \$250

Peacock's commitment to socio-economic diversity remains steady as we continue to work with the Washington State DSHS subsidy program for low-income families, as well as offer Peacock scholarships to support families who cannot afford full tuition. **We will continue to seek out sources to help us bridge the gap between tuition assistance programs and Peacock's cost of care.**
